

## Cookie Policy

LAST MODIFIED – 01/04/2025

At askTPD®, we are committed to protecting your privacy and ensuring transparency about how we handle your data. This policy explains our approach to cookies, data collection, and how we use your information to improve our services.

---

### What Are Cookies?

Cookies are small text files that websites place on your device to improve functionality, remember preferences, or track online activity. Cookies are commonly used to enhance user experience and provide analytics to website owners.

---

### Our Commitment to Your Privacy

This website has been designed to operate without the use of cookies or similar tracking tools. However, we do collect and store certain information to improve your experience and our services.

- **No Tracking:** We do not track your browsing activity outside of askTPD®.
  - **No Personal Data Storage:** We do not store personal information such as your name, email address, or other identifiable details.
  - **Chat History:** Your chat history is saved and recorded solely for the purpose of improving our services. This allows us to review interactions and make enhancements to askTPD®. No personal details are saved alongside your chat history.
  - **No Third-Party Cookies:** We do not allow third-party services to place cookies on your device through this website.
- 

### External Links

Our website may contain links to external websites or services. These external sites may use cookies, and we recommend reviewing their cookie policies to understand how your data is handled.

---

### Updates to This Policy

If our approach to cookies or data handling changes in the future, this policy will be updated to reflect those changes. Any updates will comply with applicable data protection laws, and we will provide clear notice of such changes.
